

Part I
SAFETY DATA SHEET
HYDRO-TECH FG 68

Dated December 13, 2014 and numbered 29204, "Ministry of Environment and Urbanization Regarding
It has been arranged in accordance with the provisions of the Regulation on Safety Data Sheets

SECTION 1: Identity of the substance / mixture and company / distributor

1.1. Substance / Mixture identity

Name of the product HYDRO-TECH FG 68

CAS number 91001-61-5

1.2. Relevant identified uses of the substance or mixture and uses advised against Identified uses

Hydraulic oil.

Uses not recommended Use only for the intended purpose.

1.3. Information of the safety data sheet supplier

Supplier PETROL OFİSİ A.Ş.
Ünalan Mahallesi, Libadiye Caddesi No: 82F Kat: 2-3-4, 34700 Üsküdar / İstanbul Tel: +90 850 339 1919
Fax: +90 216 275 3854
miningiyag@petrolofisi.com.tr

Contact person Customer Service: mineiyag@petrolofisi.com.tr

1.4. Emergency phone number

Emergency phone number Mineral Oil Customer Service: 0850 339 1919 (office hours)

National emergency phone Emergency Health Services: 112 National Poison Information Center (UZEM): 114

SECTION 2: Hazards identification

2.1. Classification of the substance or mixture

Classification TC 28848

Physical damages Not classified as harmful

Health hazards Not classified as harmful

Environmental damages Not classified as harmful

2.2. Label elements

Hazard Statements NC Not classified as Harmful

Precautionary statements P261 Avoid breathing dust / fume / gas / mist / vapor / spray. P264 Wash contaminated skin thoroughly after handling.
P270 Do not eat, drink or smoke when using this product. P280 Wear protective gloves / protective clothing / eye protection / face protection. P401 Store in accordance with international regulations.

P501 Dispose of contents / container in accordance with local regulations.

Part I
SAFETY DATA SHEET
HYDRO-TECH FG 68

Dated December 13, 2014 and numbered 29204, "Ministry of Environment and Urbanization Regarding
It has been arranged in accordance with the provisions of the Regulation on Safety Data Sheets

2.3. Other damages

SECTION 3: Composition / information on ingredients

3.1. Substances

Name of the product HYDRO-TECH FG 68

CAS number 91001-61-5

Reviews on the composition It is not classified as a physical hazard. It is not classified as harmful to the environment. It is not classified as hazardous to health.

SECTION 4: First aid measures

4.1. Description of first aid measures General

information If discomfort continues, seek medical attention.

Breathing Move affected person to fresh air immediately. Rinse nose and mouth with water. If discomfort continues, seek medical attention.

Swallowing Never give anything by mouth to an unconscious person. Do not try to induce vomiting. Rinse mouth thoroughly with water. If discomfort continues, seek medical attention.

Skin contact Remove affected person from source of contamination. Take off contaminated clothing. Wash skin thoroughly with soap and water. If discomfort continues, seek medical attention.

Eye contact Remove contact lenses, and open the eyelids wide. Continue washing for at least 15 minutes. Continue washing for at least 15 minutes. If discomfort continues, seek medical attention.

First aid workers preservation First aid personnel should wear appropriate protective equipment during rescue.

4.2. Most important symptoms and effects, both acute and delayed General

information See Section 11 for additional information on health hazards.

Breathing There are no specific symptoms known.

Swallowing There are no specific symptoms known.

Skin contact There are no specific symptoms known.

Eye contact There are no specific symptoms known.

4.3. Indication of any medical attention and special treatment needed Information to be

given to the doctor No specific treatment is recommended. Treat according to symptoms.

Special treatments Treat symptomatically.

SECTION 5: Firefighting measures

5.1. Fire extinguishers

Suitable extinguishing agents The product is not flammable. Small fires: Foam. Dry chemicals.

Part I
SAFETY DATA SHEET
HYDRO-TECH FG 68

Dated December 13, 2014 and numbered 29204, "Ministry of Environment and Urbanization Regarding
It has been arranged in accordance with the provisions of the Regulation on Safety Data Sheets

Unsuitable extinguisher Do not use water jet to extinguish the fire, in case it spreads the fire.
substances

5.2. Special hazards arising from the substance or mixture **Special hazards**

It is not known.

Harmful combustion products Carbon dioxide (CO₂). Carbon monoxide (CO).

5.3. Advice for firefighters

During fire fighting Avoid breathing fire gases or vapors. Without proper training or personal
preservative to be taken No dangerous action should be taken.
measures

For firefighters Positive pressure self-contained breathing apparatus and suitable protective clothing

special protective equipment get dressed. EN 133. NIOSH

SECTION 6: Accidental release measures

6.1. Personal precautions, protective equipment and emergency procedures **Personal precautions**

Wear protective clothing as shown in Section 8 of this Safety Data Sheet.

Emergency personnel Necessary precautions should be taken so that personnel who do not have proper training do not interfere.
for those who are not

For emergency responders Stop the source of the leak if it can be done without risk. Limit the spill to prevent further contamination of the soil, surface or underground water. Clean up the spilled material as soon as possible, following the precautions in the Exposure Controls / Personal Protection section. Use non-flammable absorbent materials or appropriate techniques such as pumping. Whenever possible or see fit, dig out the contaminated soil from the area. Place contaminated materials in disposable containers and dispose of them in accordance with regulations. In the event of a spill of heated substance, allow it to cool before handling by disposal methods. NOTICE: Report spillage to local authorities, as appropriate or necessary.

6.2. Environmental measures

Environmental measures Avoid spilling into drains or watercourses or on the ground.

6.3. Methods and materials for containment and cleaning

Spill removal methods If possible, stop the leak provided there is no danger. Vermiculite, dry sand or
soak in soil and place in containers. Wash the contaminated area with copious amounts of water. Avoid spillage
or runoff entering drains, sewers or watercourses.

6.4. Reference to other sections

Reference to other sections See Section 1 for emergency contact information. For personal protection see section 8. See Section 11 for additional information on health hazards. See Section 12 for additional information on ecological hazards. For waste disposal, see Section 13.

SECTION 7: Handling and storage

Part I
SAFETY DATA SHEET
HYDRO-TECH FG 68

Dated December 13, 2014 and numbered 29204, "Ministry of Environment and Urbanization Regarding
It has been arranged in accordance with the provisions of the Regulation on Safety Data Sheets

7.1. Precautions for safe handling

Usage precautions

Keep only in the original packaging or in an alternative packaging that has been approved to be compatible with the material, keep containers closed when not in use. For appropriate personal protection use protective equipment as shown in section 8 of this safety data sheet. Avoid contamination of soil or discharge of this material into sewers and water. Good ventilation should be provided in the working environment and inhalation of the vapor generated during use should be avoided.

Contact with the skin should be avoided and hygienic rules should be applied.

Contact with eyes should be avoided. Glasses or face masks should be used to prevent eye contact.

Avoid eating, drinking and smoking while using. Use disposable clothing.

Advice on general occupational hygiene

Do not eat, drink or smoke anything while using this product. Good personal hygiene procedures should be followed. Remove contaminated clothing and protective equipment before entering eating areas.

7.2. Conditions for safe storage, including any incompatibilities

Storage measures

Store in tightly closed original packaging in a dry, cool and well-ventilated place. Store in accordance with international regulations.

Storage class

Chemical storage.

7.3. Specific end use (s)

Specific end use (s)

The identified uses for this product are detailed in Section 1.2. It should be used as specified in the

Directions for use

product data sheet.

SECTION 8: Exposure Controls / personal protection

8.1. Control parameters

Content notes

No other information is available.

Biological limit values

No other information is available.

DNEL

No other information is available.

DMEL

No other information is available.

PNEC

No other information is available.

8.2. Exposure controls Protective

equipment

Proper engineering controls Provide adequate ventilation. Avoid breathing vapors. For product and ingredients
Observe the occupational exposure limit.

Part I
SAFETY DATA SHEET
HYDRO-TECH FG 68

Dated December 13, 2014 and numbered 29204, "Ministry of Environment and Urbanization Regarding
It has been arranged in accordance with the provisions of the Regulation on Safety Data Sheets

Personal protection	Personal protective equipment (PPE) should meet recommended national standards. Check with PPE suppliers. Keep away from foodstuffs, food and drink. Instantly remove contaminated and impregnated clothing. Wash hands during breaks and after work. Store protective equipment separately.
Eye / Face protection	If the risk assessment indicates the possibility of eye contact, eye protection compliant with an approved standard should be used. The following protective equipment should be used: Goggles or face shield against splashes of chemicals.
Hand protection	If the risk assessment indicates that skin contact is possible, chemical resistant waterproof gloves complying with an approved standard should be used.
Other skin and body protection	Wear appropriate clothing to prevent any skin contact.
Health measures	Do not smoke in the work area. Wash hands at the end of each work shift and before eating, smoking or using the toilet. If skin becomes contaminated, wash it off immediately. Take off contaminated clothing immediately. Use a suitable skin cream to prevent the skin from drying out.
Respiratory system preservation	There are no special storage measures recommended. Respiratory protection may be required if excessive air contamination occurs. Gas filtering device (DIN EN 141). Mask with A filter, color brown
Thermal damages	If there is danger of contact with hot product, all protective equipment suitable for use with high temperatures should be used.
Environmental exposure controls	Compliance of ventilation emissions and work process equipment with environmental protection legislation requirements should be checked.

SECTION 9: Physical and Chemical Properties

9.1. Information on basic physical and chemical properties Appearance

	Liquid.
Color	Yellow.
Smell	Matter specific.
Odor threshold	There is no specific test data available.
pH	Scientifically unjustified.
Melting point / freezing point	There is no specific test data available.
Initial boiling point and boiling range	There is no specific test data available.
Flash point	> 300 ° C
Evaporation rate	There is no specific test data available. There is
Evaporation factor	no specific test data available. There is no
Flammability (solid, gas)	specific test data available. There is no specific
Upper / Lower flammability or explosive limits	test data available.

Part I
SAFETY DATA SHEET
HYDRO-TECH FG 68

Dated December 13, 2014 and numbered 29204, "Ministry of Environment and Urbanization Regarding
It has been arranged in accordance with the provisions of the Regulation on Safety Data Sheets

Other flammability	There is no specific test data available. There is
Vapor pressure	no specific test data available. There is no
Vapor density	specific test data available. ~ 0.93 @ 20 ° C
Relative density	
Volumetric density	There is no specific test data available. It is
Resolution (s)	insoluble in water.
Partition coefficient	There is no specific test data available. There is
Self ignition temperature	no specific test data available.
Decomposition temperature	There is no specific test data available. 68 cSt
Viscosity	@ 40 ° C
Explosive properties	Insufficient data.
Explosive under the influence of flame	Insufficient data.
Oxidizing properties	Insufficient data.
Descriptions	No other information is available.
9.2. Other informations	
Other informations	No other information is available.
Refractive index	No other information is available.
Particle size	No other information is available.
Molecular weight	No other information is available.
Volatility	No other information is available.
Saturation concentration	No other information is available.
Critical temperature	No other information is available.
Volatile organic compound	No other information is available.

SECTION 10: Stability and reactivity

10.1. Reaction

Reaction	No other information is available.
-----------------	------------------------------------

10.2. Chemical stability

Stability	No other information is available.
------------------	------------------------------------

10.3. Possibility of hazardous reactions

Possibility of hazardous reactions	No other information is available.
---	------------------------------------

Part I
SAFETY DATA SHEET
HYDRO-TECH FG 68

Dated December 13, 2014 and numbered 29204, "Ministry of Environment and Urbanization Regarding
It has been arranged in accordance with the provisions of the Regulation on Safety Data Sheets

10.4. Conditions to avoid **Conditions to avoid** No other information is available.

10.5. Incompatible materials **Materials to avoid** No other information is available.

10.6. Hazardous decomposition products

Hazardous decomposition products No other information is available.

SECTION 11: Toxicological information

11.1. Information on toxicological effects **Toxic**

effects Based on available data, the classification criteria are not met.

Other health effects Based on available data, the classification criteria are not met.

Acute toxicity - oral **Summary**

Based on available data, the classification criteria are not met. Based on

Notes (oral LD₅₀) available data, the classification criteria are not met.

Acute toxicity - dermal **Summary**

Based on available data, the classification criteria are not met. Based on

Notes (dermal LD₅₀) available data, the classification criteria are not met.

Acute toxicity - inhalation

Summary

Based on available data, the classification criteria are not met. Based on

Notes (inhalation LC₅₀) available data, the classification criteria are not met.

Skin corrosion / irritation

Summary

Based on available data, the classification criteria are not met. Based on

Skin corrosion / irritation available data, the classification criteria are not met. Based on available data,

Animal data the classification criteria are not met. Based on available data, the

Human skin model test **Extreme** classification criteria are not met. Based on available data, the classification

pH criteria are not met.

Serious eye damage / irritation

Summary

Based on available data, the classification criteria are not met. Based on

Serious eye damage / irritation available data, the classification criteria are not met.

Respiratory sensitization

Summary

Based on available data, the classification criteria are not met. Based on

Respiratory tracts **sensitization** available data, the classification criteria are not met.

Part I
SAFETY DATA SHEET
HYDRO-TECH FG 68

Dated December 13, 2014 and numbered 29204, "Ministry of Environment and Urbanization Regarding
It has been arranged in accordance with the provisions of the Regulation on Safety Data Sheets

Skin sensitization

Summary Based on available data, the classification criteria are not met. Based on

Skin sensitization available data, the classification criteria are not met.

Germ cell mutagenicity

Summary Based on available data, the classification criteria are not met. Based on

Genotoxicity - in vitro available data, the classification criteria are not met. Based on available data,

Genotoxicity - in vivo the classification criteria are not met.

Carcinogenicity

Summary Based on available data, the classification criteria are not met. Based on

Carcinogenicity available data, the classification criteria are not met. There are no known

Target for carcinogenicity organs specific target organs.

IARC carcinogenicity Not listed.

NTP carcinogenicity Not listed.

Reproductive toxicity

Summary Based on available data, the classification criteria are not met. Based on

Reproductive system toxicity fertility available data, the classification criteria are not met.

Reproductive system toxicity developmental Based on available data, the classification criteria are not met.

Specific target organ toxicity - single exposure Summary

Based on available data, the classification criteria are not met.

BHOT- single exposure Based on available data, the classification criteria are not met.

Target organs There are no known specific target organs.

Specific target organ toxicity - repeated exposure Summary

Based on available data, the classification criteria are not met.

BHOT- repeated exposure Based on available data, the classification criteria are not met.

Target organs There are no known specific target organs.

Aspiration hazard

Summary Based on available data, the classification criteria are not met. Based on

Aspiration hazard available data, the classification criteria are not met.

Toxicokinetics No other information is available.

SAFETY DATA SHEET

HYDRO-TECH FG 68

Dated December 13, 2014 and numbered 29204, "Ministry of Environment and Urbanization Regarding
It has been arranged in accordance with the provisions of the Regulation on Safety Data Sheets

General information	No other information is available.
Breathing	Based on available data, the classification criteria are not met. Based on
Swallowing	available data, the classification criteria are not met. Based on available data,
Contact with the skin	the classification criteria are not met. Based on available data, the
Eye contact	classification criteria are not met.
Acute and chronic health hazards	No other information is available.
Contact ways	No other information is available.
Target organs	There are no known specific target organs.
Medical symptoms	No other information is available.
Medical opinions	No other information is available.

SECTION 12: Ecological information

Ecotoxicity No other information is available.

12.1. Toxicity

Toxicity Based on available data, the classification criteria are not met.

Acute aquatic toxicity

Summary Based on available data, the classification criteria are not met. There is no specific
Acute toxicity - fish test data available.

Acute toxicity - aquatic invertebrates Required information is not available.

Acute toxicity - aquatic plants Required information is not available.

Acute toxicity microorganisms Required information is not available.

Acute toxicity - terrestrial organisms Required information is not available.

Chronic aquatic toxicity

Summary Based on available data, the classification criteria are not met. Required
Chronic toxicity- in fish early life stage information is not available.

Short term toxicity - embryo and early larval stages Required information is not available.

Chronic toxicity- aquatic invertebrates Required information is not available.

12.2. Persistence and degradability

Part I
SAFETY DATA SHEET
HYDRO-TECH FG 68

Dated December 13, 2014 and numbered 29204, "Ministry of Environment and Urbanization Regarding
It has been arranged in accordance with the provisions of the Regulation on Safety Data Sheets

Persistence and degradability No other information is available.

Phototransformation No other information is available.

Stability (hydrolysis) No other information is available.

Biodegradation There is no specific test data available. No

Biological oxygen demand other information is available.

Chemical oxygen demand No other information is available.

12.3. Bioaccumulative potential

Bioaccumulative potential There is no specific test data available. There is

Partition coefficient no specific test data available.

12.4. Mobility in soil

Mobility Based on available data, the classification criteria are not met. No other

Adsorption / desorption information is available.
coefficient

Henry's law constant No other information is available.

Surface tension No other information is available.

12.5. Results of PBT and vPvB assessment

PBT and vPvB It is not relevant.
the results of the assessment

12.6. Other adverse effects Other

adverse effects No other information is available.

SECTION 13: Disposal considerations

13.1. Waste treatment methods General

information Waste generation should be minimized or avoided wherever possible. Wastes, residues, empty containers, discarded work clothes and contaminated cleaning materials should be collected in designated appropriate containers and labeled according to their contents.

Waste treatment methods Dispose of waste in a licensed waste disposal facility in accordance with the requirements of the local Waste Disposal Authorities.

Waste class Waste code classification should be carried out according to the European Waste Catalog (EWC).

SECTION 14: Transport information

General The product is not covered by international regulations on the transport of dangerous goods (IMDG, IATA, ADR / RID).

14.1. UN number

Not applicable.

Part I
SAFETY DATA SHEET
HYDRO-TECH FG 68

Dated December 13, 2014 and numbered 29204, "Ministry of Environment and Urbanization Regarding
It has been arranged in accordance with the provisions of the Regulation on Safety Data Sheets

14.2. UN proper shipping name

Not applicable.

14.3. Transport hazard class (es)

There is no required transport warning sign.

Shipping labels

There is no required transport warning sign.

14.4. Packing group

Not applicable.

14.5. Environmental damages

Environmentally harmful / marine pollutant

No.

14.6. Special precautions for user

Not applicable.

14.7. Transport in bulk according to Annex II of MARPOL 73/78 and the IBC code

MARPOL 73/78 Annex II and IBC

Not applicable.

pouring by code

transportation

SECTION 15: Regulatory information

15.1. Safety, health and environmental legislation specific for the substance or mixture

National regulations

Republic of Turkey Ministry of Environment and Urbanization, Regulation on Classification, Labeling and Packaging of Substances and Mixtures, dated 11 December 2013 and numbered 28848.

Republic of Turkey Ministry of Environment and Urbanization Regulation on Safety Data Sheets Regarding Hazardous Substances and Mixtures

EU legislation

<https://echa.europa.eu>

Commission Regulation (EU) No 453/2010 of 20 May 2010.

Guide

Safety Data Sheet for substances and preparations.

SECTION 16: Other information

Part I
SAFETY DATA SHEET
HYDRO-TECH FG 68

Dated December 13, 2014 and numbered 29204, "Ministry of Environment and Urbanization Regarding
It has been arranged in accordance with the provisions of the Regulation on Safety Data Sheets

**In the safety data sheet
used abbreviations and
acronyms**

EU: European Union DMSO:
Dimethyl sulfoxide
PPE: Personal protective equipment
TC: Republic of Turkey
TWA: Workplace exposure limits. UZEM: National
Poison Information Center. CAS: Chemical
Abstracts Service. GHS: Global Harmonized
System.
IATA: International Air Transport Association. IMDG: International
Maritime Dangerous Goods. PBT: Persistent, Bioaccumulative
and Toxic substance.
REACH: EU Regulation (EC) No 1907/2006 on Registration, Evaluation, Authorization and Restriction of
Chemicals.
vPvB: Very Persistent, Very Bioaccumulative.

General information

Only trained personnel should use this material. This document contains important information for the safe storage, transport and use of this product. The information in this document should be brought to the attention of the person responsible for security issues in your organization. Material Safety Data Sheet Distribution: The information in this document should be made available to all persons who can handle this product. Uses and Restrictions: This product should not be used outside of the applications recommended in Section 1 without the prior recommendation of the supplier. This product is not used as a solvent or cleaning agent to set fire or to make it brighter and to clean the skin. Disclaimer: This information is based on our current knowledge and the product is described for the purpose of health, safety and environmental requirements only.
